Ohio School Boards Association

Lester Marrison Teacher Education Book Grant

This book grant award is presented to a high school senior in Northeast Ohio, whose school district is a member of the Northeast Region of the Ohio School Boards Association (OSBA). The Executive Committee of the Northeast Region sponsors this book grant and is committed to inspiring and encouraging teacher education candidates to serve the youth of Ohio. This group is comprised of elected school board members from Northeast Ohio, who are interested in providing support to high school senior(s) who have demonstrated an interest in teaching and are attending an accredited Ohio college.

The book grant will be awarded annually and the recipient, along with his/her parents, will be guests at the annual Northeast Region Fall Conference, typically held in October. Special recognition will be provided to the district(s), board members, and student(s). The award has been made possible by the donations of board members active in the Northeast Region and from profits of region fundraising activities.

This book grant was named in memory of Lester Marrison, a long time member of the Northeast Region Executive Committee and the OSBA Board of Trustees. Mr. Marrison had a passionate interest in teacher education, and it is in his memory that the Northeast Region continues this award.
